“Aren’t humans trivial enough?”

“I thought *I* was the home entertainment center.”

“All I care about is the one that opens the can.”

“Finally, socks that double as night lights.”

“Well, at least her heart’s in the right place.”

“Now that’s what I call a scratching post.”

“Who needs millions when you have me?”

“I remember when all you needed was a coat hanger.”

“Humans will answer to anything.”

“If I had their groomer, I’d sue.”

“Now she can ruin the turkey in seconds.”

“Not everything needs to be new and improved.”
